## **Conditions of Stud Service:**

1. A copy of the Dam's Registration Certificate, a record of current vaccinations and proof of de-worming within 6 months of the breeding date, must be handed to the owner of the Stud dog before breeding takes place.
2. One or more puppies constitute a litter.
3. The Dam will reside with the owner of the stud dog during the full breeding period.
4. The owner of the stud dog is responsible for the reasonable safety and health of the Dam during the breeding period.
5. The owner of the Stud dog will undertake to have the Dam only mated to the identified Stud dog.
6. The Stud dog owner only guarantees a mating and makes no guarantees as to the pregnancy of the Dam.
7. If the Dam develop any illness or requires veterinarian assistance during the stud service period the owner of the Dam would be responsible to remove the Dam from the Stud owner's kennels immediately and agrees to pay all veterinarian and associated costs.

8. If the Dam fails to whelp, the owner of the Dam must notify the owner of the Stud dog within 25 days from the date of mating. A return mating service shall be given to the same stud dog without charge at the next heat and only the next heat.
9. If the Dam fails to whelp after the second mating, the owner of the Stud shall retain the full stud fee and will have no further obligation to a third return mating.
10. If the Stud dog is not able to perform his mating duties, the stud fee will be returned to the owner of the Dam unless the owner of the Dam agrees to the use of an alternative Stud dog.
11. If the Stud dog dies before a scheduled mating could take place the stud fee will be returned to the owner of the Dam unless the owner of the Dam agrees to the use of an alternative Stud dog.
12. The owner of the Stud dog will only provide a copy of the Stud dogs' pedigree and sign the Litter Application form after receiving the full stud fee.

### **Payment of Stud Fee**

1. The Stud fee is R\_\_\_\_\_, payable at the time of breeding.
2. If agreed with the owner of the Dam, the owner of the Stud could have the right of first choice of the litter when the puppies reach the age of 5 weeks in lieu of receiving cash payment.
3. One or more puppies constitute a litter. If there is only one puppy, regardless of sex, this puppy shall constitute a choice of litter.
4. If all puppies were born dead the owner of the Stud dog would have the option of requesting a repeat mating with the same stud dog at no cost. The Stud owner would again have the right of first choice.
5. If the Dam remains at the Stud owners kennel for more than 7 days after delivery to the kennel, the owner of the bitch agrees to pay an amount of R\_\_\_\_\_, per day in lieu of a contribution for shelter and food.
